The seminar will be concluded with the presentation of a position paper 'Cybercrime and terrorism': the human factor. Are you a researcher, policy maker or otherwise interested in European Security? Then you are cordially invited to attend this seminar.

This seminar, co-organised by the Netherlands Institute for the Study of Crime and Law Enforcement, a NWO institute, and Neth-ER, is associated with the Netherlands' Presidency of the Council of the EU. It will take place on 26 May 2016, from 14:45-17:00 at the Permanent Mission of the Kingdom of the Netherlands in Brussels.
