Dear Ernesto,

This has been a great year for the *European Journal on Criminal Policy and Research*, a testament to your hard work. The 2015 Impact Factor for the journal (released on June 13, 2016) is .88, which represents more than a 50% increase over the 2014 Impact Factor. The journal is now ranked in the top 30 journals in its Criminology & Penology category. This means that the number of citations to articles published in the journal, and its influence in its field, continues to improve.

We want to thank Dr. Stefano Caneppele and Dr. Giulia Berlusconi for the work they have done managing the journal, and we are looking forward to welcoming Dr. Francesco Calderoni and Dr. Serena Favarin on board as the new Managing Editors for the journal.

Springer is pleased to continue our relationship with you as Editor-in-Chief of *European Journal on Criminal Policy and Research*, extending your term as editor for three more years through December 31, 2019.

We look forward to a continued successful collaboration.

Sincerely,

Katherine Chabalko  
Editor, Social and Behavioral Sciences
